10. Commissioner Reports

Commissioner Boyd: Working with a couple developers regarding housing developments, both appear to be well funded and very serious. Still working on water issues and protecting high value farm ground with in the County.

Commissioner DeGroot: Comments that SCOEDD did a great job with the small business grant program, Thank you. Met with City of Klamath Falls regarding Urban Growth Boundary boundary lines and the buildable lands within those boundaries, very happy with how those discussions are going, alot of necessary work for a 20 year plan. Also met with Tribal Council Member Lang and ODOT collaborating on future projects, great meeting. Met with Klamath Works regarding their mattress recycling program, an agreement will be coming before the BOCC soon, there are some good opportunities. Serves as AOC’s Second Vice-President, lots of things coming before the Legislature this spring will be watching bills and looking out for Klamath interests. Also had South Central Oregon Commission on Transportation Meeting regarding collaborating with ODOT on our transportation system. Also been working on Enterprise Zone and Water Users developments. There will be an announcement from The Department of Interior this week that will have significant impact on Klamath County will be exciting news.

Commissioner Morris: Also watched the joint school board meeting and was very proud of Public Health/Jessica Dale she represented the County very well. Is so happy that the schools are allowing students back, continues to work with the State on the liability issue assuring them that the Legislature will be taking that issue up this spring. Serves on AOC’s Health and Human Services Committee, they are dealing with lots of issues involving Covid that will be coming in front of the Legislature. Was on a call this morning with Eastern Oregon Legislatures and received information that the Legislation does not plan to be in person until April 5th, but will proceed virtually until then. Covid-19 Vaccine roll out continues to be a struggle statewide, however Klamath County appears to be doing fairly well, we need to get teachers and long term care facilities vaccinated.
