Notice is hereby given on March 16, 2010, that a measure election will be held in

Klamath

County, Oregon on May 18

, 2010.

Name of County or Counties

Date of Election

The following shall be the ballot title of the measure to be submitted to the county's voters.

**KLAMATH COUNTY, OREGON GENERAL OBLIGATION BONDS: OREGON VETERANS' HOME**

Shall Klamath County issue not to exceed \$15,500,000.00 in general obligation bonds to finance construction of the Oregon Veterans' Home? If the bonds are approved, they will be payable from taxes on property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

This measure would authorize the County to issue general obligation bonds in an aggregate principal amount not to exceed \$15,500,000.00 to finance approximately 35% of capital construction and improvements for a Veterans' Home in Klamath County. Bond proceeds would be used for site preparation, construction, equipping and furnishing of the Veterans' Home and costs of selling and issuing bonds in one or more tax-exempt and/or taxable series, payable over a period of 10 years.

Oregon Department of Veterans' Affairs is responsible for operating costs for the Veterans' Home, not the County. Bonds will not be issued without the necessary prior approvals by the State, including approval of an award to Klamath County as the site for the Veterans' Home.

Taxes levied to pay the bonds will be outside of the limits of sections 11 and 11b, Article XI of the Oregon Constitution. The bonds will not affect property tax collections for other units of local government that collect taxes within Klamath County and proceeds will not be used by the public school system.

**Five Year Local Option Tax for Jail and Sheriff Operations**

Shall Klamath County impose a tax of \$0.59 per \$1,000 assessed value for Sheriff's operations for five years beginning 2010-2011? This measure may cause property taxes to increase more than three percent.

The Sheriff's Office will use the tax revenue from this measure to sustain the jail and other services. Without this additional revenue the jail must eliminate 20 positions and reduce inmate capacity by 88 beds.

This revenue will be used to maintain existing funding levels for the Klamath County Jail and Sheriff's Office over the five year duration of the levy. The proposed rate will raise approximately \$2,924,890 in 2010-11, \$2,998,012 in 2011-12, \$3,072,962 in 2012-13, \$3,149,786 in 2013-14, and \$3,228,531 in 2014-15, for a total of \$15,374,181.
