

BOARD OF COUNTY COMMISSIONERS

IN AND FOR THE COUNTY OF KLAMATH, STATE OF OREGON

In the Matter of Declaring Klamath)
County a Weed Control District and)
Declaring Noxious Weeds in Klamath)
County for the year 2015)

ORDER NO. 2015-047

THIS MATTER COMING ON AT THIS TIME TO BE HEARD before the Klamath County Board of Commissioners and it appearing that said Commissioners under ORS 569.360 may declare noxious weeds which are to be destroyed and prevented from producing seed within the County, and

IT FURTHER APPEARING that the Board of Commissioners has identified the following twenty-three (23) weeds as: "A" designated weeds. "A" weeds are weeds of known economic importance which are known to occur in the county in small enough infestations that make eradication/containment possible, or are not known to occur in the county, but their presence in neighboring counties makes future occurrence in Klamath County seem imminent.

Recommended Action: Infestations are subject to intensive control when and where found.
