To protect yourself:

- Keep your distance by maintaining six feet of social or physical distancing between yourself and others.
- Wash your hands frequently with soap and water for at least 20 seconds, utilizing hand sanitizer when washing facilities are not available.
- Sanitize surfaces that are often touched.
- Avoid gatherings of any size where social or physical distancing is not possible.

To protect others around you:

- Cover coughs and sneezes.
- Stay home when sick.
- Wear a clean mask in public spaces, including outdoors when six feet of social distance cannot be maintained.
