Question 20 words which plainly phrases the chief purpose of the measure.

Shall territory be annexed into Bly Rural Fire Protection District at the permanent rate of \$2.8261 per \$1,000.00 assessed value?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

This proposes the annexation of territory into the Bly Rural Fire Protection District. The district provides fire fighting and life safety services to persons and property with the district as well as persons outside the district through mutual aid agreements. The territory proposed for annexation is in the area of the town of Beatty extending east to the Klamath/Lake County border.

If the annexation is approved, the district will extend its permanent property tax rate to the territory that would be annexed to the district. The district's permanent tax rate limit is \$2.8261 per \$1,000.00 of assessed value. The measure does not propose to increase the district's permanent tax rate limit for real property located within the district's boundaries.

A home assessed at \$100,000 would pay approximately \$282.61 per year.
