

# 2021 Klamath County COVID-19 Epidemiology Summary

## Klamath County Case Summary

Total known cases of COVID-19	7,508
Cases per 100,000 population	11,029 cases per 10K
COVID-19 Deaths in 2021	158

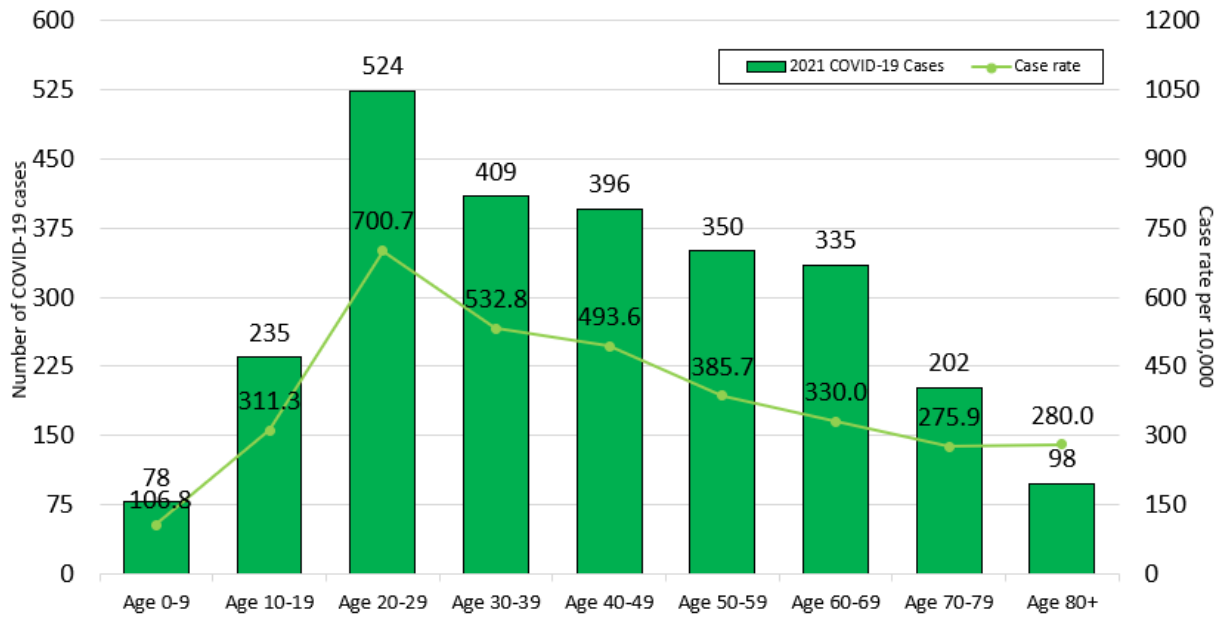

This graph shows the number of cases reported into OPERA by month, based on the date a case was first identified as a case. Cases rates are calculated using 2020 Portland State University population total estimates.

This graph shows the epidemiological curve of the number of cases reported into OPERA based on the date a case was first identified as a case. This data differs from the date Oregon Health Authority first reports the case for Klamath County in daily press releases.

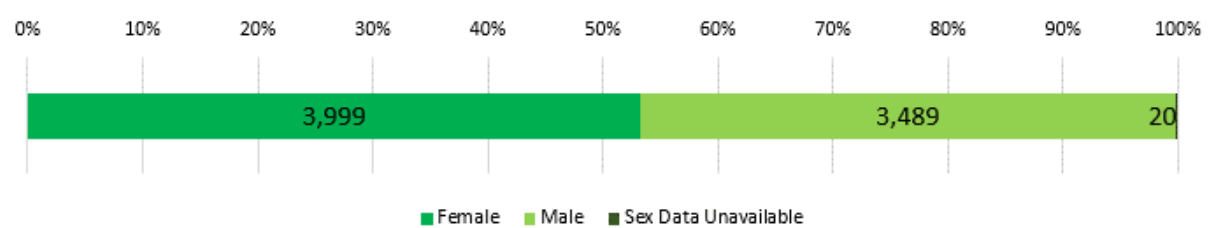

## Klamath County Case Details

### Klamath County 2021 COVID-19 Cases by Age Group

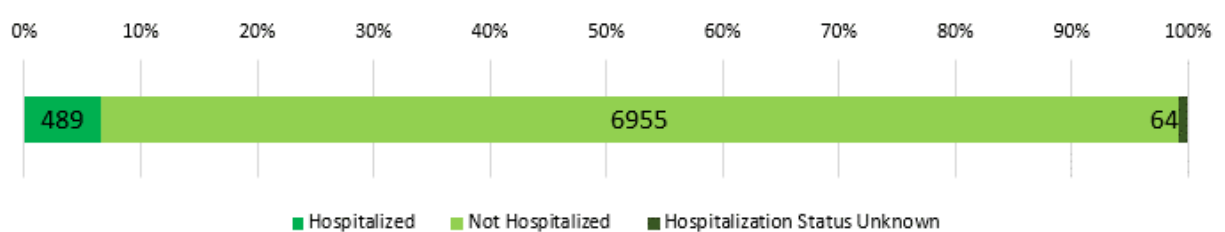

Cases rates are calculated using 2020 Portland State University population total estimates.

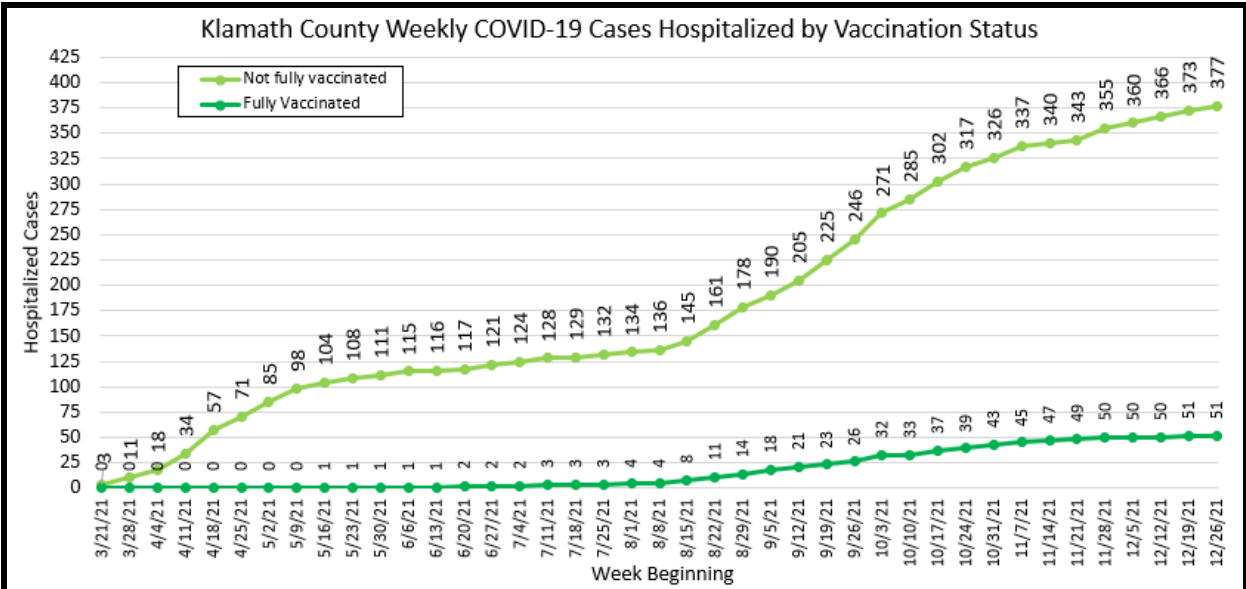

### Klamath County 2021 COVID-19 Cases by Sex

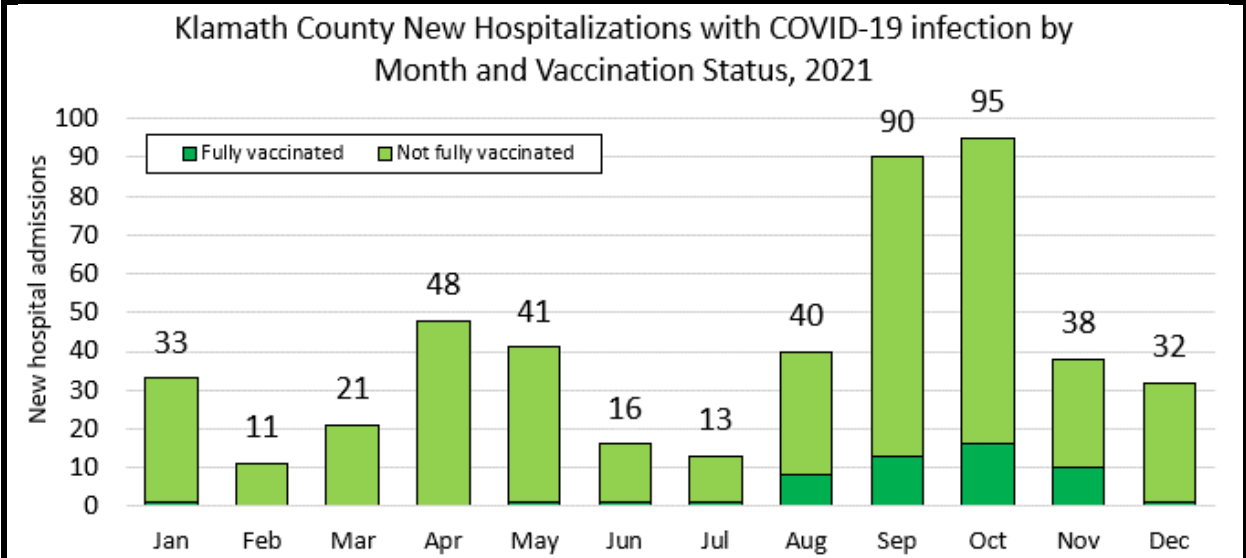

### Klamath County 2021 COVID-19 Cases Hospitalized

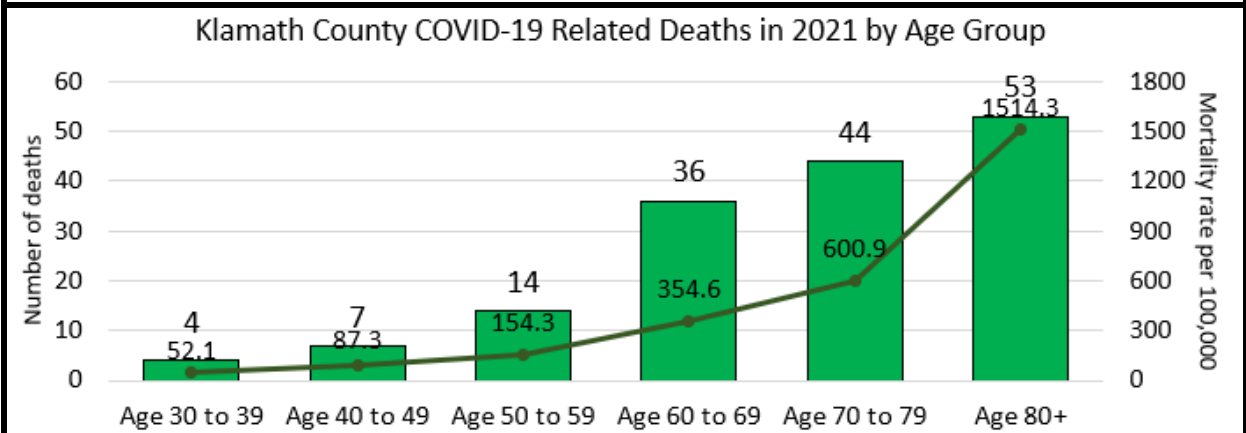

Cases are considered hospitalized if the patient is admitted to an acute care facility within 14 days of any positive COVID-19 test or illness onset.

The graph above shows the number of COVID-19 related hospitalizations among Klamath County residents each calendar week beginning the week of 3/21/21-3/27/21 (when the first breakthrough case was identified in Klamath County).

The graph above shows the number hospital admissions of patients with COVID-19 infection in 2021, this includes any readmission of the same patient where the second hospitalization is considered a separate admission. There were a number of cases that were reported as hospitalized, but admission data was unavailable and are excluded from the graph.

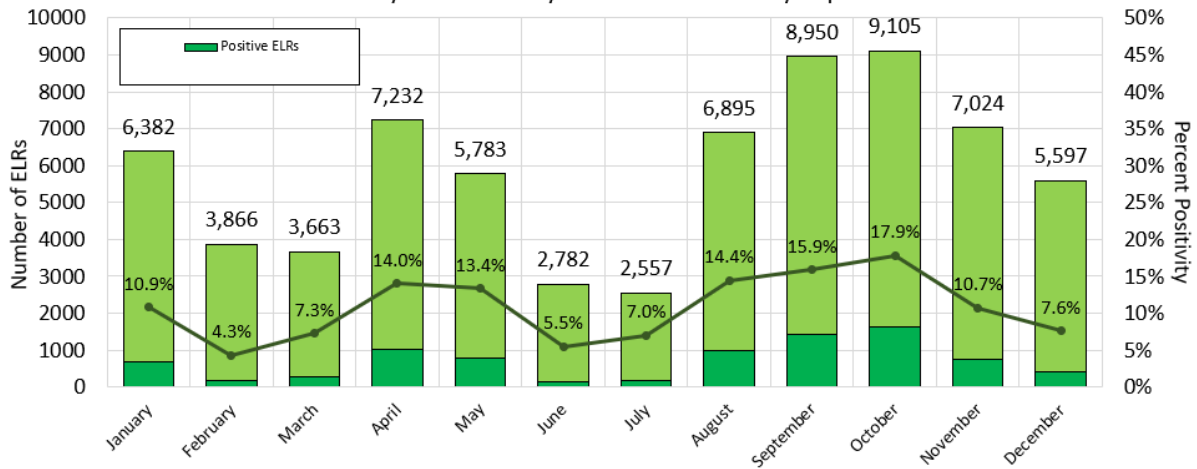

Mortality rate is calculated using 2020 Portland State University population total estimates.

## Klamath County Electronic Laboratory Reporting Summary

Beginning 12/3/20, Oregon Health Authority transitioned to reporting total Electronic Laboratory Reports (ELRs) rather than reporting total persons tested. Electronic Laboratory Reports better reflect the total volume of tests for a county and may include duplicate positives and/or duplicate negatives for individuals.

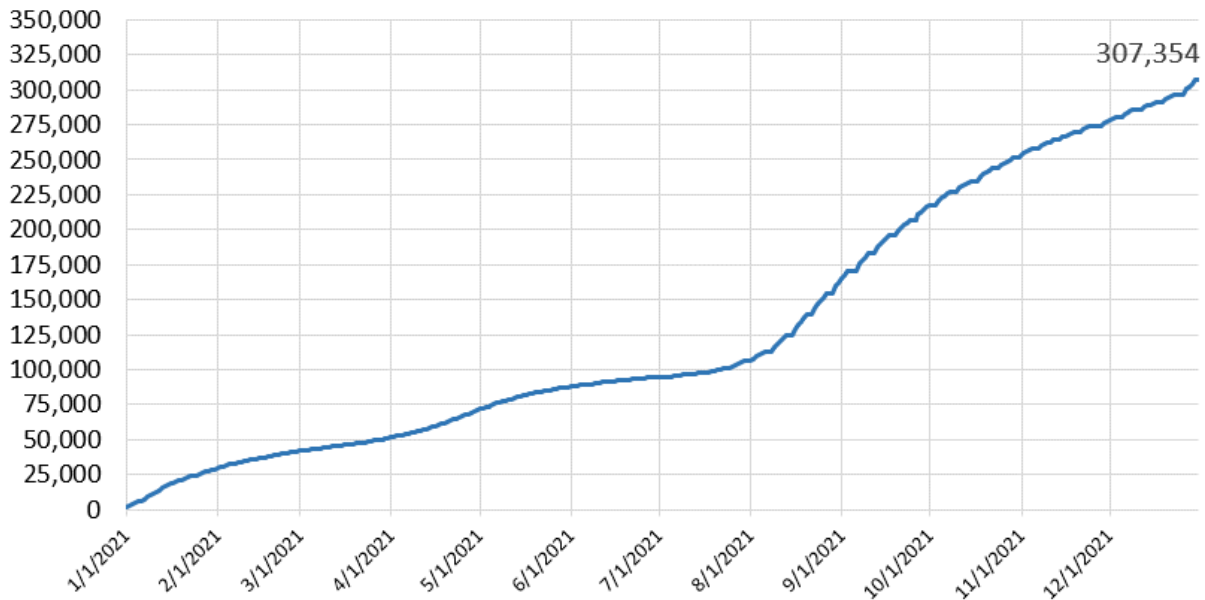

Klamath County 2021 Monthly Electronic Laboratory Reports Received

Electronic Laboratory Reports reported on the and are classified based on date of ELR receipt.
